

Together for Nature

2020 VIRTUAL GALA

The Nature Trust of British Columbia is excited to launch its first ever virtual gala and silent auction. The silent auction will open on September 23rd and close on October 7th with our live online event, *Together for Nature*.

Together for Nature will celebrate our land conservation projects across the province, recognize key people and outline plans for the future. Proceeds from the event will benefit conservation projects in British Columbia. We regret that we cannot come together in person. These times remind us of the importance of nature and the impact of our actions today on future generations. We are writing to ask for your support with a donation to our auction.

Auction donations will be recognized in our online program and our website: naturetrust.bc.ca. To make a donation to our auction, please complete the attached form. Thank you.

The Nature Trust of British Columbia is a leader in land conservation in the province. We conserve and care for BC's most critical natural habitats for vulnerable wildlife and plants. Since 1971 we have protected more than 175,000 acres (71,000 hectares) with the help of our supporters.
