## SMALL ACTIONS, BIG IMPACT. BE A CATALYST FOR CHANGE.

In nature, the smallest things often create the biggest impact. A single butterfly can set off a cascade of change, and a tiny seed can grow into a towering forest. Conservation works the same way—every action, no matter how small, helps protect the landscapes and species that make B.C. extraordinary.

When you sponsor The Nature Trust 2025 Gala, you're not just making a donation—you're making a commitment: to nature, to B.C., and to future generations. Your support helps secure, protect, and restore the most ecologically vital spaces in our province, so people and wildlife can thrive.

Every creature—big or small—plays a pivotal role in creating healthy ecosystems. This includes us! While nature takes care of the delicate balance on the ground, it's up to us to protect the bigger picture—coming together, raising funds, and taking action to ensure these vital landscapes endure. By protecting nature, we secure a thriving future for us all.

## WHY SPONSOR?

Now more than ever, companies play a critical role in safeguarding nature, and tackling climate change. A partnership with NTBC will:

- Create a powerful strategy to demonstrate your commitment to conservation
- Support your “Nature-Positive,” ESG and other sustainability goals
- Engage employees through meaningful and practical initiatives
- Enhance customer/client loyalty, and build trust
- Satisfy stakeholder engagement

## NEW THIS YEAR—A UNIQUE SPONSORSHIP OPPORTUNITY!

Showcase your corporate commitment to biodiversity in B.C. Sponsor one of only four unique vignettes, to be introduced, and played during the Gala program. Produced by award-winning documentary maker—Martin Berthiaume, each vignette will feature a special place in B.C. recognized for being a biodiversity hotspot—the South Coast, the West Coast, the Okanagan and the Kootenays.

**TIER 1**  
**\$15,000**

Key benefits include:\*

- Introduction of vignette on Gala stage in front of an audience filled with philanthropists, partners and sponsors.
- Creation of 90 second video asset complete with sponsors logo
- Promotion of video asset through NTBC website and social media platforms
- Company rights to use video asset for corporate communications/promotion—to stakeholders, customers, clients, partners and employees
- Opportunity for company employees to visit/participate in conservation activities in the field
- Complimentary table for eight people in prominent position at the Gala

\* Full inclusions listed on the next page.

## YOUR IMPACT: SMALL WONDERS, BIG CHANGE

Your support helps protect everything—from the tiniest creatures, to B.C.'s iconic species—and the vast ecosystems they call home. When you sponsor The Nature Trust of BC's Gala, you make a difference, for:

- **The most vulnerable species**—from pollinators to mammals—by protecting the habitats they depend on.
- **B.C.'s natural carbon stores**—safeguarding wetlands, grasslands, and forests that capture and store carbon.
- **The landscapes most at risk**—preserving ecologically sensitive areas before they are lost forever.
- **Biodiversity across B.C.**—spanning four key biodiversity hotspot regions.

**A single action can set off a ripple effect in nature.  
Your support is that spark.**

We are grateful for the leadership and support of Gala Chair Peter Armstrong, whose dedication makes this signature fundraising event such a success.
